4357 MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

Dated 27th November 1946.

To

The Secretary to the Government of
His Highness The Maharaja of Mysore,
General Department, Bangalore.

Sir,

No. C. C. 30—45. I have the honour to make the following report under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Mysore Plywood Corporation, Ltd., Employees' Association, Yeswantpur (Bangalore City) and the concerned Factory Management in regard to the (1) Payment of Victory Bonus (2) Payment of Annual Bonus, and (3) Payment of Adequate Dearness Allowance.

2. The President of this Labour Association gave a notice of change to the General Manager, Mysore Plywood Corporation Ltd., Yeswantpur, under Section 10 (2) of the Act, setting forth the following demands :—

"(1) The Management is not justified in with-holding or refusing the payment of Victory Bonus to all the Employees' who have contributed all their efforts in executing the huge orders during the War period ".

(2) "The Annual Bonus has not been given ever since the Factory started, though enormous profits have been earned these years hence Bonus for these years."

(3) "The Management has ignored the demands and reminders for adequate Dearness Allowance. The same to be effected from the date of first application or demand."

3. The Assistant Commissioner of Labour, Bangalore Division, tried but could not bring about a settlement between the parties. Thereupon, the Commissioner of Labour referred this case to this Office for initiating Conciliation Proceedings under Section 10 (3) of the Act.

4. The case was accordingly registered and intimations to the parties were issued. I held conciliation proceedings at Bangalore on the 26th November 1946. The Management was represented by Mr. H. Shankaralingiah, Legal Officer of the Factory while Mr. D. R. Moro, Assistant Secretary of the Labour Association, represented the Association. These three demands were discussed at some length, on both sides.

5. The Assistant Commissioner of Labour, Bangalore Division (Mr. Zia Mohamed) was also present.

6. The Labour representative explained and urged the demand No. 1 (Re : Victory Bonus) on the grounds that (1) the work of the factory considerably increased during the period of war as is evident from (a), the increase in the number of employees, and (b) increase in the number of shifts and that the Management earned good profits by executing large war orders. The Management representative on his side stated that the statement of the Association that the Management earned good profits was not true and that there were no profits even to pay any dividends to share holders. The Labour representative asserted that the Company had made heavy profits and that the Management had shown heavy depreciation charges to set off against the profits, in the Balance Sheet. On being asked to produce the balance sheet he said that he had no Balance Sheet with him. The Management representative stated that the Management were quite sympathetic with the demand but their financial position did not allow them to concede the demand. The Association representative is not satisfied with the explanation of the Management and presses the demand. The Management on their part regret, it is not possible to accede to this demand.

As regards demand No. 2 (Re : Annual Bonus), the Labour representative urged for its acceptance on almost the same grounds as in the case of Demand No. 1. The Management on their side stated that while the Management are sympathetic, they could not however concede the demand for the same reasons as for Demand No. 1 and that there being no profits, there could be no grant of bonus from out of profits. The Association is not satisfied with the explanation and presses the demand. The Management regret, it is not possible to accept the demand.

Lastly in regard to the Demand No. 3 (Re : Payment of Dearness Allowance) the Association representative urged during discussion that the present rate of Dearness Allowance in this Factory was only Rs. 6 per month and is quite inadequate and that other Factories and Mills were paying higher rates of Dearness Allowance and that, in view of the present conditions present rates should be enhanced. The Management representative stated that the question of raising the present rates of Dearness Allowance to the level of the rates now being given by Government to their servants was under the consideration of the Management and that early decision may be expected. The Association representative is not satisfied with the reply and he presses the demand. The Management plead their inability to do anything more in the matter.

7. All possible ways of settlement were explored, but the parties did not come to any settlement. The proceedings thus ended in failure, which I hereby report.

8. I request that this report may be published in the Gazette, as required in the Sub-Section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,

4357 NAVANEETHAM,
Chief Conciliator in Mysore.
